What others say

A.H.

HR Generalist

I wish we had signed up with Carosh years ago instead of our original service. Results of screening are fully investigated and returned quickly.

K.D.

Compliance and Privacy Officer

After overseeing a very manual screening process at my last (very large) employer, I was pleasantly surprised by how easy Carosh is to use and how it allows me to stay on top of my screening for our employees and vendors alike. I particularly appreciate the functionality of running "ad hoc" screens on individuals.

K.S.

Practice Manager

Carosh is so easy to use! I appreciate the monthly reminders that I receive to ensure that my practice is in compliance.

K.L.

CCO

I'm the chief compliance officer with a large east coast practice. We use Carosh to screen thousands of staff and vendors multiple locations. Extensive due diligence was carried out prior to choosing the right company for this service and I found Carosh to be the most proficient. They continue to fulfil our needs at every corner without issue. Recommended to any healthcare professionals or administrators with a compliance program to manage.
